

Schedule of Fees

Effective December 10, 2006

Non-refundable \$25 application fee is payable at a time of registration
(one per family)

Private Lessons:

Private lessons are available for students from age four years to adulthood wishing to study piano, violin, voice, theory, guitar, clarinet, trumpet, saxophone or recorder. It is recommended that students taking private lessons have an appropriate instrument for home practice. Fees may be paid at each lesson or, with advance payment, by blocks of lessons.

Individual Lessons:

Students paying for individual lessons must pre-book the time of their next lesson to ensure availability of their preferred time with their teacher.

Blocks of Lessons:

Students prepaying blocks of lessons will be offered the opportunity to retain their preferred time as long as they maintain consecutive weekly lessons.

Attendance:

Should a student be unable to attend for a previously booked lesson, make up lessons can only be arranged when a) 24 hours notice of cancellation is given and b) the teacher is able to rearrange time for the make up lesson. Students may arrange annual vacations of up to three weeks while retaining their preferred time. When vacations are longer than three weeks, it may not be possible to guarantee the original appointment time.
